Summary

I'm a second-year student pursuing B.Tech in (CSE) at CMR Technical Campus, Hyderabad.

I'm a detail-oriented college student. Passionate about product design, development, and management.

Computer programming is not just my profession, it's my passion. Striving to do my best on every project, I always try to go one step beyond, and expand my knowledge.

I am familiar with:

C

C++

HTML5

CSS

JavaScript
